Sparkes in his Capacity as Justice of the peace, a revision petition was preferred to the High Court Madras against the order of discharge passed by him. It does not appear to be necessary that the action should be taken through the Residency, as in the Case above mentioned & the Vakil who appeared for the Govt. was directly Communicated with. In regard this point Kind attention is invited to the Govt Secy's notes in pages 3 to 6 of Pt 32-17-1-6. A correct Estimate of the oral Evidence can only be formed by a reference to the original exhibits, but the Evidence Given such as it is, affords fairly good grounds to presume that the accused had no materials in Ex: T(12) to support the Entries which he admitted made in Exs T(10) & T(11) - His Explanation that the basis for the disputed entries was furnished either by chits or by verbal instructions is not proved. Indeed the Evidence of PWs 3, 4 & 5 suggest the Contrary. According to these witnesses the disputed items which are stated to refer to packwalling, should have in the ordinary Course found their way in Ex T(2) if they were genuine, but as a matter of fact they have not. Exs T(13), T(14) & T(15) are receipts given by the Contractor acknowledging receipt of money due for the Disputed items of work & they there are further Corroborated by the pay sheets Exs T(16) & T(17). I have the honour to submit herewith a Memo of the grounds of appeal in the marginally noted case disposed of by Mr. R. Boequet, Justice of the Peace in Mysore, with copies of discharge order and the Statements of the witnesses, (received from the Superintendent of Police, Kolar Gold Field) and to state that I am in entire agreement with him in considering that the discharge order passed by the Justice of the Peace has resulted in a serious mis-carriage of justice and that the case is a fit one for revision. The Superintendent, Mysore Gold Mining Co., who had engaged the Company's Counsel Mr. M. G. Shama Rao a local Pleader of Bowringpet to assist the Prosecuting Inspector in the prosecution of this case against the accused also agrees in this view.

Case No. 1 of 20-21.
Govt. vs. A.Lazro.

2. For the above reasons, I beg that Government may be pleased to take necessary action in consultation with the Government Advocate to have the order of discharge revised by the High Court of Mysore. If the Government

Mysore are not willing to take action in the matter, I am informed by the Superintendent of Police, Kolar Gold Field, that the Superintendent of the Mysore Gold Mining Company is prepared to undertake the task in the interest of the Company, if the Government kindly permit him to do so in their name.

3. The order of discharge was passed on the 11th -- ultimo, and as the revision has to be filed in the High Court of Madras within two months from that date, I beg that Government may be good enough to take very early action and pass -- necessary orders in the matter, treating the same as one of -- urgency

of Sessions are to be conducted by
Public Prosecutors so that the accused
may have the benefit of a fair trial
and the judge, the assistance of an
unbiassed Counsel. Under these
circumstances, Govt do not propose
to move the High Court to allow the
prosecution to be conducted by a
private Vakil as it is not likely that
their application will be granted. There
is no objection to the Crown Prosecutor
receiving instructions from the Vakils
of the Company and of the Company so
desires they may suitably instruct their vakils
in the matter.
